COMPLETED August 2007 - August 2008

SCOPE OF PROJECT

Project consisted of a new four-story wood-framed structure of approximately 101,000 square feet. The structure contains student housing facilities for a total of 311 students. Each unit provides either shared or private bedrooms for two or four students, complete with kitchen and bath facilities.

The building includes a sprinkler system, elevator, offices, large multi-purpose room with servery, lecture/meeting room and laundry facilities on each floor.

The remaining portion of the site will be developed as campus green space with a plaza.
